

# **PMHA Newsletter - September 25<sup>th</sup>**

Welcome to the 2<sup>nd</sup> edition of the PMHA Newsletter, updating the membership on what has happened and what is happening around PMHA. The PMHA is looking to send out this monthly update to help communicate with the membership and keep everyone aware of what is happening in and around the Wolfpack.

## **PMHA Fundraising Dance - Saturday October 19<sup>th</sup>**

PMHA has moved it's Fundraising Dance from the end of the season to Saturday October 19<sup>th</sup> at the Syl Apps Community Centre (Upstairs Hall). What a great way for parents to enjoy a night out with music, dance and drinks; while celebrating the start of the hockey season. Teams can use this time for parents to get to know and spend some time together away from the arena setting. Tickets for the night are \$10 with all the proceeds going back to PMHA to offset the rising costs of uniforms and for the purchase of PMHA supplied on-ice training equipment to be available to teams and during skill development sessions. Music will be provided by DJ and a late night snack will be provided. A WestJet travel voucher and 2020 Registration are two of the big prizes being raffled off. Also, a number of door prizes will be available. Tickets are available through PMHA executive and will be distributed to your coaching staff in the coming days. Mark it on your calendar and more details will follow.

## **PMHA Skill Development Sessions**

PMHA has started their Skill Development Sessions for the 2019/20 season. Under the guidance of Paris's own Tyler Pelton and he group of volunteer coaches, the Wolfpack players will be offered a variety of skill sessions this coming season. Session covered will include shooting, defence skills, power skating, puck control and goaltending. These session will rotate through out the first half of the season and have a cost of \$5 per session, payable at the sign in desk the day of the sessions. The first two sessions were held this past weekend (shooting and defence skills), with some great reviews. The next two sessions will be October 5<sup>th</sup> with a Power skating/Puck control session followed by a Goaltending session. The remaining schedule of clinics will be posted to the PMHA website by October 1<sup>st</sup>. To register for a skill session, please email [president@parisminorhockey.com](mailto:president@parisminorhockey.com)

## **PMHA Picture Days**

The 2019/20 picture days have been set for the morning of Saturday October 19<sup>th</sup> and the evening of Tuesday October 22<sup>nd</sup>. Teams will be scheduled around their game or practice times where possible. The schedule and instructions will be posted the PMHA website in early October.

## **PMHA Team Selections and Start of Season**

As of the writing of this newsletter, the selection of all teams Atom and above have been completed. Coaches and managers are busy preparing for the start of the regular season. The Southern Counties and Intertown scheduling meetings are happening this week with schedules likely starting to appear as early as Friday. We want to thank all the coaches and managers who have volunteered their time this season, so that our association can offer the kids a place to play this great game.
